# *Manager's Message*

We are going to do a monthly news brief. It will be just a short newsletter about upcoming events, reminders, etc. The news brief will be emailed to all homeowners and we'll also have copies in the office. If you'd like a copy mailed, call the office and we'll send one out to you.

With summer coming to an end, please remember fall is coming and culverts need to be checked and cleaned. We have had a lot of rain and some culverts have caused issues on neighboring properties, as well as the roads.

We sent an email out to all residents regarding the water shut off being marked. If you need assistance, we will help. Maintenance was marking them with blue driveway markers but some residents took them out. They need to be left alone once they're placed.

We had a very successful Tricky Tray this year. Many thanks to the businesses and people that donated. (Please see the list on the following page.) A big thank you to the volunteers that helped with this event.

Thank you,

Ann Marie Miller  
Property Manager
